Feed Our Homeless

Nashville is well known for its music, hospitality and fun, but Nashville is also a place that gives back.

The FOH project (Feed Our Homeless) was inspired by this community spirit to give back by using the skills and expertise we have.

For this project, longtime Nashville resident Thomas Haehn teamed up with his brother, Konrad Hähn, accomplished wine maker at Von Schleinitz winery in Germany, to create a line of high quality wines dedicated to support Nashville's homeless people and pets.
